

Gal Segall

Teacher/Artist, Early Childhood Teacher. I hold a master's degree in Early Childhood / Special Education. I've incorporated art into my early-childhood teaching methodology. In 2020, I launched an art program based on the Reggio-Emilia teaching philosophy.

As an expressionist artist I get my inspiration from my childhood upbringing in a Kibbutz in Israel. I explore the use of fabrics, wood, stones, gold leaf, wire, and other mediums in the development of my work and the discovery of the endless path.
